Declaration to the regulation (EG) Nr. 1907/2006 of the European Parliament and the European council of 18. Dezember 2006 **for registration, evaluation, authorization and restriction of chemicals (REACH)** published on 30.12.2006 in the EU official gazette 396/1.

About the obeying of the European declaration (EG) Nr. 1907/2006 (REACH) we inform as follows:

We'll maintain the exigencies of the REACH-regulation.

On the background of the outstanding candidate list (list according to the reach declaration art. 59 (1) and (10)) we can't make a precise statement concerning individual media, from today's view.

In particular we'll provide each customer of our products with our available information to ensure a save handling of the delivered products as recommended by the REACH declaration art. 33. At least we'll announce the name of the used substance.

We'll inform you about relevant changings on our products, caused by REACH, their availability and about the quality of the products, delivered to your company in the limits of our business- relationship and will specify suitable measures in the individual case.
